Profile

I am a versatile developer and designer, I mostly work with graphics and websites together or individually, I have successfully developed projects like on OTT Platform and E-Commerce site. Proficient in Figma, Adobe Photoshop 2024, and Adobe Illustrator 2024 to create responsive, user-friendly interfaces. Focused on delivering seamless, intuitive experiences across all devices, while continuously advancing my skills to stay current with industry trends.

CURRICULAR

FRONTEND WEB DEVELOPER

Arena Animation ⏐ Kalkaji New Delhi-110019   Oct 2024 - now

Developed Fleek, an intuitive OTT platform offering seamless streaming of movies and series with subscription-based services. Designed for optimized UX, it features dynamic content loading via Fetch API, secure sign-ups, advanced search filters, and personalized recommendations across all devices.

FRONTEND WEB DESIGNER

Arena Animation ⏐ Kalkaji New Delhi-110019   Aug 2024 - Oct 2024

Developed an intuitive e-commerce platform for selling plant products, featuring a clean, responsive design and seamless navigation across devices. Integrated product filters, detailed pages, secure payments, and optimized performance for a fast, user-friendly shopping experience.

GRAPHIC DESIGNER

Creative bee studios ⏐ Saket   Dec 2023 -Aug 2024

As a graphic designer, I create engaging social media posts and custom graphics that enhance brand presence and audience engagement. I also produce unique digital paintings and illustrations, delivering visually striking designs aligned with marketing goals.

CO-CURRICULAR

"Attended various meetups and events focused on startups, new technologies, and entrepreneurship. Gained insights into emerging trends and innovative business models, while networking with industry professionals and like-minded peers to stay informed and inspired."

HOBBIES

Coding, Progaminig, Surfing internet, Exploring new technologies and watching tutorialls

LANGUAGE

English, Hindi
